The very idea of you being in Pennsylvania and
not even calling. SHAME. You owed
me a letter, and I'm still waiting. Oh well
I suppose, under the circumstances
one can't be disappointed
that Rex was disappointed
in me. Seriously, Rex has been as wild about
Mrs. Kennedy as the rest of the country
is. Don't he has been kinda sore
Friday, & is very nice, I'll write
wife about. Hope you had a nice
vacation with your nieces, merry
is in Phila, Bobby's Bar Mitzvah
a darling wall-to-wall
